

## Equality, Diversity and Inclusion policy

Love Success believes that our success is a direct result of the experience and quality of our employees. We are committed to focusing our employment procedures and practices on maximising the potential of each unique individual. We believe this is best achieved by developing our employees' talents, whilst recognising their differences.

Since inception we have promoted equality, diversity and inclusion for all ages, colours, race, ethnic or national origins, sexual orientation, marital and parental status, physical impairment, disability and religious belief. Our staff and candidates represent our commitment to diversity as we employ individuals from all age groups, gender, BAME, LGBT and disability.

We support equal opportunities in employment and oppose all forms of unlawful or unfair discrimination on the grounds of gender, age, ethnic or national origin, religion, sexual orientation or disability.

We believe our approach to diversity enriches our internal and external relationships, as well as enhancing the knowledge and experience we deliver to our clients' recruitment requirements.

By treating people fairly and equally and by accepting and embracing their diversity, we can also improve our market competitiveness, foster innovation, enhance our corporate social responsibility and create an inclusive and positive working environment for all employees. It is the policy of the Company that no person acting on our behalf shall discriminate in any situation against another individual or group, directly or indirectly, because of age, sex, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief and sexual orientation.

Love Success also endorses the principle that the workforce at each location should reflect, as far as is reasonably possible, the community within which it operates. These principles apply to recruitment selection, training, promotion, transfer, pay and benefits and performance appraisal procedures, in addition to all terms and conditions of employment.

### **Grievance and Harassment**

While it is hoped and intended that most problems relating to employment in Love Success can be resolved on an informal basis, the Grievance Procedure exists so that causes of genuine concern can be dealt with equitably.
